We hope that everyone had a safe and relaxing Labor Day weekend.

"The very spring and root of honesty and virtue lie in good education."
- Plutarach (46 AD-120 AD)

We want you to know that everyone at Shooting Stars is hoping and praying that each of our players achieve much academic success and for their safety during the 2010-11 school year. We want to offer any support that you might think will help your student-athlete. We would also like to hear of any outstanding achievements so that we may celebrate and share them with the other Shooting Star family members. Just email me and I will be sure to pass them along.

We appreciate those of you who took our short survey. If you didn't have time and would still like to do so you can click on:
<http://www.zoomerang.com/Survey/WEB22AYZPHY43U>. If you don't have time but would like to provide your thoughts and comments, you can send me an email.

Dean and I have also been working on the plan for the 2011 sesason and will be getting information out to you by the end of next week.

We are excited about a couple of firsts. We are hosting Packer Friendly Basketball Clinics on Sunday September 26th and Sunday October 10th at the Oshkosh YMCA.
